1 INTRODUCTION

Due to an unacknowledged system error, this deliverable failed the submission and was successfully re-submitted in delay. Hence, the only variations of this version (v1.1) with respect to its previous one (v1.0) due at M12 are in architecture (updated the 10/11/2017 according to the latest version) and the submission date of the deliverable.

1.1 PURPOSE OF THE DOCUMENT

The goal of this document is to provide the second interim report, which outlines the status of the project in terms of schedule compliance and highlights the critical issues together with the foreseen countermeasures, if any. The document refers to the period between M7 (Dec. 2016) and M12 (May 2017)

1.2 STRUCTURE OF THE DOCUMENT

The document is organized as in the following:

- **Chapter 1** is this introduction and description of the document itself;
- **Chapter 2** contains the report of the project activities;
- **Chapter 3** contains the administrative status;
- **Appendices** list communication metrics and participation of I-REACT at events.
